Subject: 472 Extension Request

I recently realized that I missed the 472 filing date while I was away on USAFR duty. My annual tour was over the end of the filing window. I do realize I should have completed the 472, or filed a waiver, before leaving for duty. I also realize this request is 100% my fault. I am hoping I can get an extension so that my district is not affected by my oversight.

I have attached the 3 FRN extension denials so that it is clear which ones I am requesting a waiver extension for. Thank you for your time in considering my request.
